Hi Debra

I'm reviewing the files on Phoenix Sinclair and her parents under s. 10 of the Fatality Inquiries Act and would like to know if there was a plan presented for the T.O. by consent on August 3, 2003? The ward file does not contain information indicating that a plan was presented to the Court or consented to by either/both of the parents. If there was a plan, could you please advise re the terms or fax a copy to 945-2442? My phone number is 945-5984.

Thanks very much!

Jan
