Phoenix to stay with the Stevensons for that length of time, especially given the fact that she had only come back into her care recently (according to Samantha). Samantha then appeared to be at a loss for words, then suddenly she uttered a profanity and hung up the phone on this worker.

Based on the above-noted information, the case is to be opened for further follow-up by Intake to ascertain where the child should be living and whether a safety concern exists if the child is in the parent's care. The safety assessment is assessed to be within a 48-hour follow-up response.
