

Supervision – February 5, 2001

RECENT INVOLVEMENT:

December 11, 2000 an information package on the Kematch family was faxed to Germaine Brass – social worker for Cree Nation CFS. I.e. Case summary etc. Family Support Worker Marion Belanger called the agency stating that she feels that the couple is doing quite well for young parents. The Family Support Agreement expired: November 30, 2000. Ms. Belanger stated that the family has done quite well and if the contract is renewed she would like to be recommended for the position. Marie stopped working with the family at the end of November 2000.

Field to Ms. Kematch home on February 1, 2001, there was no answer at the residence on 740B Magnus Avenue, left card to call. It is not known at this time if Samantha followed-up with Dr. Altman re: emotional stability or if Samantha and Steven completed an appropriate parenting program. It is clear that they did work cooperative with the in-home support worker and, according to the support worker – the parents did work with the PHN. It remains to be confirmed with PHN re: nature and extent of involvement and if Public Health will continue to be involved, also need to clarify if parents have identified a pediatrician for Phoenix.

CASE PLAN (as of February 5, 2001):

Given the family's gains and personal improvements are still fairly new, the parents are required to follow all of the conditions outlined in the service agreement they signed on September 5, 2000, it is to be reviewed in six months – by March 5, 2001. Conditions included:

- Samantha will meet with Dr. Altman to assess her emotional stability and she will follow any recommendations made by Dr. Altman.
- Samantha and Steve will work cooperatively with the Agency in home support worker and will meet with her at least two times weekly
- Samantha and Steve will work cooperatively with the Agency Family Services Worker, this includes meeting with the worker on a regular basis and allow the worker access to the family home. Samantha and Steve will also cooperate with the Agency worker regarding further exploration of issues related to substance abuse and family violence.
- Samantha and Steve will attend and participate in a parenting class that focuses on issues related to child development.
