Child Welfare History:

The file has been closed effective August 16, 2001 - for Kematch

For detailed child welfare history see October 2, 2000 under Samantha Kematch

On April 24, 2000 HSC social worker, [REDACTED], called the Agency to advise that Samantha gave birth to baby girl, Phoenix, after having no prenatal care. In discussions, it was discovered that Samantha had another child that was in the care of Cree Nation CFS. When asked why, Samantha thought that it was because they thought she might hurt the baby, as her mother did her. In further questioning the couple, it was discovered that they had not made any purchases for the baby whatsoever and Samantha indicated not being emotionally ready to parent. N/Duty workers attended the hospital on this date to meet with the parents, and both indicated that they were not prepared to care.
