Place of Safety Care Provider: Kimberly Stephenson

This is just inform you that I am the Place of Safety Social Worker for the above care provider.

I will be arranging a home visit in the very near future. Is there any information I need to be aware of before going out to the home? How can I best assist you with this family?

(* * If there is any changes in status or when the child moves placements could you please forward a copy of the greens to the Place of Safety Program or to the writer.)*

I look forward to working with you!

Thanks!
