Dear Dr. Trigg:

It is my pleasure to inform you of Manitoba Family Services and Housing's funding allocation to your organization for 2002/2003, subject to the approval of this year's provincial Budget by the Legislative Assembly.

I am pleased to advise you that our government has been able to increase grant funding to Winnipeg Child and Family Services for delivery of programs and services to children and families. Funding in the amount of \$77,969,700.00 is made available through the Department's Child Protection and Support Services Branch.

Our government places a high priority on ensuring the safety and well-being of children and their families. We are confident that children in care and families requiring your assistance will benefit from the high quality services your organization will deliver.

Dennis H. Schellenberg, Executive Director of Child Protection and Support Services, will be in touch to answer any questions you may have and to discuss the funding arrangement in more detail. Mr. Schellenberg can be reached at 945-4575, should you wish to contact him directly.

In closing, I would like to extend my sincere appreciation to Winnipeg Child and Family Services for your ongoing commitment in providing services that enrich the lives of Manitoba children and their families.
